

DIRECTIONS FOR USE:

- 1. Prepare pet by rinsing thoroughly to wet skin and coat, removing excess dirt and grime.*
- 2. Dispense shampoo onto wet hands or wet scrubber and lather and scrub thoroughly from the neck down.*
- 3. Deliver more lather and attention to affected areas and leave shampoo on for 5 minutes, up to 10 minutes for longhaired breeds.*
- 4. Rinse the entire body with warm or lukewarm water.*
- 5. Gently dry your pet with a clean towel and use moisturizer or emollient as needed. May apply topical flea treatments after pet is dry.*

It is recommended that you wash your pet three times the first week, reducing frequency to weekly, depending on your pet's skin care needs. Safe for everyday use.

For EXTERNAL use only. Keep out of eyes.

In case of contact with eyes, flush immediately and thoroughly with water.
